

Mini Olympics

No matter what size group you have, White Mountain Adventures can build a Mini Olympics event to suit your needs at a location and in a timeframe to match, and we understand that flexibility is a key issue when planning for small or large groups. We will be there when and where you need us! Our events can all be themed to match the location and the message you want to get across.

Each event begins with a briefing to all participants on the specifics and expectations of the games and then people are divided into teams of equal size or into pre-arranged teams. **Let the games begin!** Teams usually compete in a round robin style tournament, competing in all the games provided. This works out to be about 15 to 20 minutes per game. Games can be added or subtracted to accommodate the time period for the whole event. Usually we will finish the program with an event where all teams can participate at the same time to create a great finale!

As the Olympics progress, team times are added up on our large scoreboard by the scorekeepers. The team with the shortest overall time is the winner. Throughout the event, the **Master of Ceremonies** will be signaling the time to change at the end of each event, and at the end will announce winners.

Choose from our selection of Mountain Madness games some of which include:

Animal Puzzler, Crazy Compass Points, 90 Seconds of Madness, Giant Ski, Amazing Maze, Race to Dakar, Summit Flags, Snowshoe Obstacle Course, and the Trolley Race.
